HOME-BUYING Process

You are now a homeowner!

*Pre-qualification is based on a preliminary review of credit information provided to Fairway Independent Mortgage Corporation, which has not been reviewed by underwriting. If you have submitted verifying documentation, you have done so voluntarily. Final loan approval is subject to a full underwriting review of support documentation including, but not limited to, applicants' creditworthiness, assets, income information, and a satisfactory appraisal.

Helpful “**DOS** & **DON'TS**”

When Applying for a Mortgage

DO Keep originals or be able to access on your employer/bank websites all pay stubs, bank statements and other important financial documents.

DO Provide your Earnest Money Deposit from your own personal bank account or acceptable gift funds. Please talk to your Loan Officer or Loan Coordinator for additional clarification. This will present a very difficult problem if not managed properly in the beginning.

DO Provide all documentation for the sale of your current home, including sales contract, closing statement and employer relocation/buy-out program, if applicable.

DO Notify your Loan Officer or Loan Coordinator if you plan to receive gift funds for closing. Gift funds are acceptable only if certain criteria are met. Advances from credit cards for down payment/closing costs are never acceptable.

DO Notify your Loan Officer or Loan Coordinator of any employment changes such as a recent raise, promotion, transfer, or change of pay status (for example, salary to commission).

DO Be aware that a new credit report could be pulled just prior to closing.

DO NOT Close or open any asset accounts or transfer funds between accounts without talking with your Loan Officer about the proper documentation required for your loan. For example, before transferring all funds from your savings to your checking, check with your Loan Officer.

DO NOT Deposit any monies outside of your automated payroll deposits, particularly cash or sale of personal property, without notifying your Loan Officer or Loan Coordinator. Many guidelines require substantial documentation as to the source of these deposits.

DO NOT Change jobs/employer without inquiring about the impact this change might have on your loan.

DO NOT Make major purchases prior to or during your contract, such as a new car, furniture, appliances, etc. as this may impact your loan qualification.

DO NOT Open or increase any liabilities, including credit cards, student loans or other lines of credit during the loan process as it may impact your qualifying loan amount.

SPECIALTY programs overview

The housing market doesn't have to feel like a battlefield. We offer unique programs that will help you stay competitive in this market and even compete with cash offers. Check out the program highlights and benefits below!

- More than a pre-approval, this is an actual loan approval from a Fairway underwriter provided before you even begin your home search and subject to only property-specific conditions. When making offers, you'll be able to submit your conditional approval letter from underwriting.
- This underwriting approval will make your offer stand out, giving you a great chance of winning the contract.
- There is less to do once you go under contract:
 - Update documents if initial docs have expired.
 - Get an approval, if applicable.
 - Obtain a condo warranty, if applicable.
- No additional costs or strings attached to use the Fairway Advantage Pre-Approval program.

LET FAIRWAY'S LOCK, SHOP AND GO PROGRAM BRING PEACE OF MIND TO THE HOME-BUYING PROCESS.

Take action by securing the rate today while shopping for a home. Lock in the rate for 90 days with NO additional fees!

- Eligible on purchase transactions only.
- Available on Fairway's Conventional, FHA, VA and USDA fixed-rate programs.
- If the rates decrease, Fairway has that covered
- Provide the signed purchase agreement within three (3) days of signing, and Fairway will update the initial lock to a final lock for up to 60 days at the improved market rate if market conditions allow.

FAIRWAY CASH GUARANTEE ADVANTAGES:

- Seller receives peace of mind knowing the financing is guaranteed.
- Buyer can compete with cash offers.
- Borrower does not have to pay any additional fees to use this program.
- If the guarantee is triggered, the seller may opt for Fairway to NOT buy their home, and instead walk away from the deal with \$10,000 paid by Fairway, and the contract will be terminated.

ADDITIONAL REQUIREMENTS/DETAILS:

- Borrower must have a Fairway Advantage Pre-Approval.
- Borrower must be financing with an FHA, VA or Conventional loan.

note: If the seller opts to have Fairway purchase their home, Fairway will pay the appraised value or the contract price, whichever is lower.

Why Choose An **Adjustable-Rate Mortgage?**

At Fairway Independent Mortgage Corporation, we understand the importance of having a variety of home loan options to choose from, which is why we offer **adjustable-rate mortgage (ARM)** options.

With an ARM, a borrower may have a lower introductory interest rate for a set period of time. For example, if a borrower finances their home with a **5-year ARM**, the mortgage payment will be fixed for the first five years. After the five years are up, the interest rate will adjust to the market, within set parameters.

An ARM may be a good fit for you if you:

- Plan to live in your home for less than five years
- Think your income may increase with time
- Plan on refinancing within the first five years
- Can pay their loan off within the first five years

Down Payment Assistance Programs

Get into their dream home for less than \$1000 with down payment assistance. Fairway offers not only one, but two options to help make home ownership more affordable.
